TESTIMONIALS

Sarah Lahman

My daughter has been part of the MRAD family since she was 3 years old, and I truly can't imagine a better place for her to grow. She has developed not only as a dancer, but also in her faith, confidence, and character. The teachers and older dancers have poured so much love, encouragement, and guidance into her, serving as incredible role models every step of the way. We are beyond grateful for the positive impact MRAD has had on her life and feel so blessed to be part of this amazing community.

We are so thankful for this amazing, Christ-centered dance studio! Robin and Grace are like family to us. Robin loves and cares for the dancers as if they were her own and encourages them to live like Jesus every day.

My daughter has grown so much in her dance ability, confidence, and love for Jesus. We are incredibly grateful for the positive impact this studio has had on her life and highly recommend it to any family!
